## June 1-5

Ms. Holstad and I are here for you in any way that we can. At any point of the week, please send your questions, comments, or concerns to both of us. The office hours are when we will be at our email consistently, but we will also be checking our emails periodically outside the office hour times. If the students do not have a printer or do not want to print out assignments or activities, it is completely reasonable to do the assignments on regular paper. Your assignments are still on the online book and the steps are the same. If you need a refresher, just click [here](#). If you would like more videos and resources on the topic please visit [Ms. Holstad's website](#)
